EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael J. Buchenhorner (Reg. No. 33,162) on 7/6/06.

The application has been amended as follows:

The claims have been amended as follows.

In the claims:

Claim 5: replace "2" after "claim" at line 1 with – 6--.

REASONS FOR ALLOWANCE

1. Claims 5-7 are allowable over the prior art of record.
2. This communication warrants no examiner's reason for allowance, as applicant's reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104 (e). In this case, the substance of applicant's remarks in the Amendment filed on 12 September 2005 with respect to the amended claim limitations and further amended claim limitations in the Examiner's Amendment filed herewith point out the reason claims are patentable over the prior art of record. Thus,

the reason for allowance is in all probability evident from the record and no statement for examiner's reason for allowance is necessary (see MPEP 13202.14).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
